

Cable Reeling Drums

Mini Reels

Series 9000 Mini Reels

SIMBAL series 9000 mini reels provide a cost effective solution for a wide range of single phase applications requiring relatively short payout lengths. The reels feature a shock resistant plastic external case and are fitted with a ratchet stop device every 500mm, this device can be easily disconnected if constant cable traction is required. The reels also include additional features as follows :

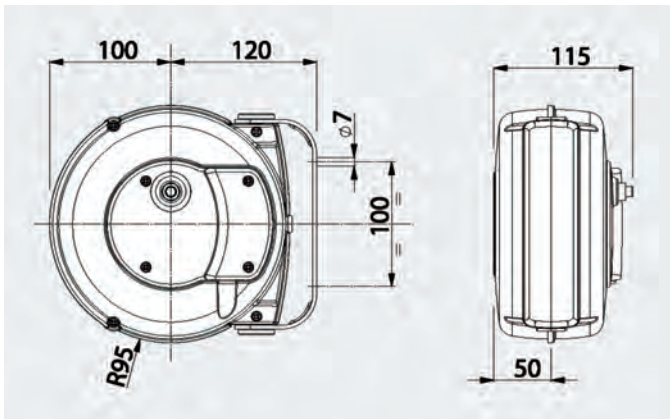

Features :

- IP42 Protection
- Brass Sliprings and brushes
- Max voltage - 230V
- H05VV - F Cable
